

The power of social media  
is it forces necessary  
change

Don't hate the media,  
become the media

# DON'T LOVE HATE

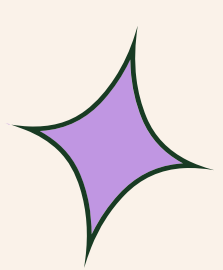

You would rather listen to the  
ramblings of a drunkard than get  
yourself engrossed in our media  
and its appalling.

The term "hate speech" is typically code  
for our hatred of the truth, not the speech

Cinema, radio, television,  
magazines are a school of  
inattention. People look without  
seeing, listen in without hearing.  
This is our profit.

Until you realize how easy it is for  
your mind to be manipulated, you  
will remain the puppet of our  
game.
